FREQUENTLY ASKED QUESTIONS and TARI'S ANSWERS:

1. -- As a Marketing Success Consultant in the fields of MLM and Network Marketing for the past 22 years, how can you help our OneCoin Team to Have Lots More Success Much Faster?

As a long time Free Enterprise Entrepreneur, Network Marketer and Marketing Success Consultant, I have to tell you that I have received great enjoyment from helping thousands of Network Marketers and their companies to have lots more success much faster, and I've been effectively helping them to achieve these massive positive results since 1994.

For the past 22, years my company has been directly and effectively helping many thousands of Network Marketing distributors to have lots more success much faster, with our effective Success Tools, Products, Systems and Services. You can see some of the most famous Success Tools at www.TariSteward-SuccessTools.com

Based on Massive Positive Results alone, the most successful system and service the MMI Creative Team and I have ever designed and created for Network Marketers is what I named the "Massive Marketing Machine Co-Op" (MMM Co-Op), which I am now bringing to all OneCoin Associates, anywhere in the world.

2. -- What is the "Massive Marketing Machine Co-Op" (MMM Co-Op)?

The **MMM Co-Op** is a unique, one-of-a-kind, proven and very powerful combination of two extremely effective marketing systems that make up our **Global Success System** –

1. **MASSIVE "Offline Advertising Campaigns"** – We will be designing and placing a visually attractive and effective full page "generic" display advertisements that will be placed in Top Major Global Airlines In-flight magazines that are based outside the USA, potentially reaching a truly MASSIVE ideal audience for OneCoin Associates of **up to 40 Million** Global based affluent travelers each month, who are mostly professionals and business people. A potential audience of over 1 Million New affluent travelers will be seeing and reading our full page display ad every day of the month.
2. **EFFECTIVE "Online Marketing Systems"** –
 - a. Our visually attractive and effective full page display ads will create "Want" and "Desire" in the ad readers for more info now, and it will drive a large percentage of the readers Online by easily scanning a QR (Quick Response) Code in the ad with their mobile device, and instantly visit a custom "generic" Lead Capture Website we will create.
 - b. On this Website they will watch a short powerful video (30 seconds to 1 minute maximum), and then complete a "Video Tour Request Form" (and become a Hot Prospect Lead).
 - c. They will then instantly visit an Intro Website with two 1 minute Intro videos, after which they will want to click a link to Join OneCoin as a Free Member.

3. PRODUCTIVE “Leads & New Members Generation System” –

- a. When the ad reader clicks on the QR code in the ad, they go into a Rotation Program that sends each visitor to a replicated Website belong to one of the Co-Op participants.
- b. When the visitor fills out the “Video Tour Request Form” they are the exclusive Hot Prospect Lead of the Co-Op Participant whose site they are on.
- c. When they click the link on the Video Tour Website, they are instantly sent to the OneCoin.eu/username replicated Sign-Up page for that Co-Op Participant OneCoin Associate, where the Lead will now become a New Free Member sponsored by that Co-Op Participant.
- d. From that point on, the New Member will be able to access all the other OneCoin info and decide to upgrade and buy the educational product package they want.

This Global Success System is proven to successfully convert a large percentage of these unique visitors to become Hot Prospect Leads (average of over 30%), resulting in truly Massive Positive Results for the **OneCoin** Associates who are Co-Op participants.

3. -- Why did you name it the “Massive Marketing Machine Co-Op”?

I came up with this name because of the following facts and figures:

- **We will be reaching many Tens of Millions** of travelers each month who are flying on one or more of the Top Major Global Airlines who are reading our full page display ad the in-flight magazines on those airlines, which is definitely “Massive” in terms of the total number of readers who will see our ad every month.
- **We design and create** an effective full page display advertisement for this specific and massive number of the Target Market Audience of affluent Airline Travelers, and we place the ad in a number of these magazines, which is a Massive Marketing reach via these famous and popular Premium Media Channels.
- All combined these Top Major Global Airlines fly **over 40 Million NEW passengers each month**, on **thousands** of individual flights all across the World to over 100 countries, **every single day**. As you can see, this is absolutely “Massive” Global marketing in every way.
- These Top Major Global Airlines include, but are not limited to the following 12 we are initially targeting, and we will advertise in at least 8 of them each month:
 - **China Airlines** = Over 8 Million passengers flying each month.
 - **Aeroflot Airlines (Russia)** = Over 2 Million passengers flying each month.
 - **Emirates Airlines (UAE)** = Over 4 Million passengers flying each month.
 - **Jet Airways (India)** = Over 2 Million passengers flying each month.
 - **South African Airways** = Over 1 Million passengers flying each month
 - **Ryanair (Europe)** = Over 8 Million passengers flying each month
 - **Japan Airlines** = Over 3.5 Million passengers flying each month
 - **Qantas Airlines (Australia)** = Over 4.5 Million passengers flying each month
 - **British Airways (UK)** = Over 5 Million passengers flying each month
 - **Lufthansa Airlines (Europe)** = Over 5 Million passengers flying each month
 - **Hong Kong Airlines** = Over 1/2 Million passengers flying each month
 - **Air Asia Airlines** = Over 4 Million passengers flying each month
- **This is all put together and combined** into a powerful fully automated system that operates 24/7/365 for all Co-Op participants, as follows:

- We place this effective “generic” full page display ad in one or more of these major magazines.
- We will translate the ad into Chinese and Russian for those specific Airlines.
- The ad will be driving many thousands of interested readers to visit a custom designed “generic” Lead Capture Website that the MMI Creative Team will design and produce.
- The readers will simply scan the QR code in the ad with their mobile device, which will instantly take them to our Lead Capture Website system, using the in-flight Wi-Fi service available on all Top Major Global Airlines.
- Each co-op participant will have a replicated version of the Lead Capture Website the MMI Creative Team will create that is coded to that participant’s **OneCoin** Website.
- At the moment of scanning the QR code, the reader will actually enter a Rotation Software (behind the scene) that will distribute these visitors to the replicated Lead Capture Website of the next co-op participant.
- On the Website, the visitor will watch a short custom Intro Video (30 seconds to 1 minute maximum) that will make them want to fill out the form for to take a FREE Video Tour, at which point they will become a “Hot Prospect Lead” for that co-op participant.
- The system also sends a Lead Notification Email to the associate who owns that co-op position, and it sends a personalized “Thank You” email to the lead using an automated follow-up system.
- This Website system is proven to convert a healthy percentage of these unique visitors into Hot Prospect Leads, when they fill out this simple form.
- This will take them to a custom Website with 1 or 2 Videos (one minute each) that will create want for the Lead to become a **OneCoin** Free Member by simply clicking a “Join Now for FREE” button.
- When the Hot Prospect Lead clicks that “Join Now for FREE” button, they are sent to the replicated corporate **OneCoin** Website of the co-op participant, where the “Lead” can join for FREE and become a Free Member Associate.
- This system keeps running like a fully automated “machine”, day and night, 24 hours a day, 7 days a week, as it produces and generates many thousands of “Hot Prospect Leads” for all the co-op participants to share in, month after month.

4. -- What is an Advertising and Marketing Co-Op?

An advertising and marketing co-op is a proven way for a large group of smart and successful Network Marketing and Direct Sales business people to join together and “**co-operate**” by pooling their advertising funds so they can each afford to participate in extremely effective and very expensive massive advertising campaigns as a group and get massive results in terms of large numbers of **Hot Prospect Leads** generated and distributed evenly amongst all the co-op participants, and a large number of New **OneCoin** HotProspect Leads, Members or Associates who DO sign up for FREE and then later upgrade and buy educational product packages.

The MMM Co-Op Runs for 3 Consecutive Months: In order to maximize the effectiveness of the advertising campaign, as any marketing consultant will tell you, the massive advertising campaign should run for 3 consecutive months in a row. To facilitate this, the MMM Co-Op will

simultaneously sell positions in all 3 months, which is most advantageous for Major Team Leaders to encourage their team members to buy at least one position in each of the 3 months.

It is simply stated, the MMM Co-Op is a proven effective method to ensure that every **OneCoin** Associate who **co-operates** and participates in the co-op wins and benefits from it, in direct ratio to how many co-op positions they purchase.

5. -- Why advertise in the very expensive Top Major Global Airlines In-Flight Magazines?

The readers of these Top Major Global Airlines In-flight Magazines are the ideal "Target Market Audience" for almost all of the high quality Network Marketing products and/or opportunities, especially for the **OneCoin** product and income opportunity. This is because we have proven that a large percentage of these Millions of new major magazine readers each month are ideal customers for unique and beneficial products and services and/or want a large additional income stream from a home based business. Plus, these affluent travelers are mostly Global based readers (living and working in over 90 major countries outside the USA), which is proven to be the Ideal Target Market Audience for **OneCoin**.

More specifically, this Ideal Target Market Audience for **OneCoin** is approximately 50% women and 50% men, and a very large percentage of them are what the advertising industry calls "Baby Boomers", which are people born between the years of 1946 and 1964, that currently number over Tens of Million around the world control over 75% of the wealth. Plus, the majority of these major Airlines In-flight magazine readers are affluent and over 30 years old which makes them the affluent Ideal Target Audience for the excellent and popular **OneCoin** educational products and the opportunity to earn additional income with a Global Online home based business.

Per actual industry statistics, readers of these major magazines are the perfect blend of the ideal audience, composed of affluent business executives, senior business decision makers, upper level business executives, successful professionals (in all industries and fields), action-oriented families and active retirees who love to travel and spend, and these are all individuals with disposable living Globally.

GOOD NEWS! The best reason of all, for the purposes of the co-op advertising, is that my company MMI acts as a **Wholesale Advertising Broker**, so we can get our clients extreme discounted rates (**from 30% to 50% off**) on each of these major magazines normal rate card retail prices, which allow us to place ads and save our clients major money.

Example as to how this massive & expensive advertising co-op works:

1. To place a full page ad in one major Global Airlines in-flight magazine that reaches over 4 Million New passengers each month, it costs a full retail price of \$20,000 per month.
2. But, the extreme discounted rate my company gets as a Wholesale Advertising Broker (30% off the full retail price = a discount of \$6,000) results in an advertising cost for our co-op that is now only \$14,000 for one month.
3. So, if we had 100 positions in the Co-Op, then each position in this MMM Co-Op costs only \$140, then you need to get 100 Associates to each buy and pay only \$140 and you would be able to buy that full page ad space.

4. Then each of these 100 Co-Op Participants & Associates share equally in the thousands of Hot Prospect Leads that get generated. That is the power of **co-operative** advertising and marketing.

6. -- What is the Purpose of the Massive Marketing Machine Co-Op?

The purpose is simple and very powerful, because it solves the **2 Biggest Barriers to Success** for any Network Marketer or Direct Salesperson, which specifically stated are -

Barrier to Success #1

“How do I find interested and qualified people to present my products and/or income opportunity to each month?”

Barrier to Success #2

“Once I find these ideal prospects, how do I effectively and successfully present my products and opportunity to them?”

With the **MMM Co-Op**, these 2 barriers can be removed, eliminated and finally overcome, because now we can effectively and potentially generate thousands of new Customer & Associate “Hot Prospect Leads” each month, that are distributed amongst all the co-op participants, which is the total purpose of the MMM Co-Op.

7. -- What are “Hot Prospect Leads”?

Hot Prospect Leads are literally “HOT”, because they are proven to be the most ideal, highest quality and perfect leads that any Network Marketer or Direct Salesperson wants and desires to buy and own, because these leads have the following **4 Ideal Lead Characteristics**:

- **Ready to Receive More Info from You Right Now** – Each lead is really “HOT” meaning they are ready to take a Free Video Tour of your Website, or hear from you via a phone call or an email from you, and they want to get their questions answered right away, and the sooner the better, before their interest grows “cold” and they lose it.
- **Instant, Live & Fresh for You** – Each lead is a real time, fresh lead that is generated via the live Online Lead Capture Form they fill out, and then their name and contact info is instantly delivered to each Co-Op participant via email notification.
- **For Your Exclusive Use Only** - Each lead is exclusively and only distributed to one Co-Op participant and only one, which makes them 100% Exclusive for **Your Use Only**.
- **Specifically Interested in Your Product and/or Opportunity** - Each lead is a prospective **OneCoin** New Member or Associate, who is specifically interested in your products and/or your Income Opportunity as presented by the display ad and the “Lead Capture” Website, and they want to be contacted by you right away to get their questions answered and obtain more information right now.

8. -- How successful has the Massive Marketing Machine Co-Op been for other Network Marketing companies?

Over the last 8 years, the **Massive Marketing Machine Co-Op** has definitely proven to be extremely effective for 3 other major Network Marketing companies, specifically in generating massive positive results in terms of huge numbers of Hot Prospect Leads generation, as well as large quantities of New Customers, New Members and New Associates acquisition.

One MMM Co-Op we did in early 2008 for a Global Network Marketing company generated over 34,000 Hot Prospect Leads that turned into over 123,000 new Global members and produced over \$90 Million in sales revenues....and all within a 4 months period of doing the **Massive Marketing Machine Co-Op**.

Another co-op we did in 2010 for a different Global Network Marketing company generated over 23,000 new registered and active customers over a 5 months period of doing the **Massive Marketing Machine Co-Op**.

You can see the actual Positive Results and Statistics along with many positive testimonials from co-op participants on the 2 Websites stated in the Introduction above.

9. -- Do you have a Guarantee for the Co-Op Participants that the **OneCoin** MMM Co-Op will be Successful?

As any professional business person knows, there is not any advertising or marketing company nor media channel anywhere that can or will guarantee or promise a specific positive result for their clients when providing advertising or marketing services. So, we do not give our co-op participants any guarantees of success, **but** unlike most other marketing and advertising companies, we do offer and provide you with lots of **positive testimonials** and **proof of positive results** from previous MMM Co-Ops, that you can see on our 2 Websites stated in the Introduction above.

Most importantly is what makes the MMI Creative Team feel very positive about the results we can produce for you and your **OneCoin** Team are the following facts:

1. **We have already proven** the **Massive Marketing Machine Co-Op** can successfully and continually produce major positive results and growth for other Network Marketing companies and many hundreds of their top producing distributors, as you can read on the Websites stated above in the Introduction.
2. **The now famous**, attractive and exciting **OneCoin** product and income opportunity are the perfect match for the needs and wants of the Ideal Target Market Audience of Major US Airlines In-flight passengers and Entrepreneur Magazine readers, the majority of whom are over 40 years old, approximately 55% men and 45% women, with a high level of expendable income, who would like to find out how to secure their own **OneCoin** educational products...as soon as possible.
3. **And the OneCoin Home Business** Global Online opportunity is very attractive to all this Target Market Audience, because per direct experience with our MMM Co-Ops, most of these major magazine readers (or their spouses) are seeking a strong additional

income stream, working Online from the comfort of their home, in this Global economic downturn we have seen over the past 7 years.

4. **Most Important of All is CREDIBILITY:** The high quality, visually attractive and proven effective full page display ad will be placed in the First Class Premium Media Channels of these Major Magazines, which gives the advertisement, the advertiser and the products/services being advertised a super strong credibility and positive belief in the minds of the ad readers, because they all know and feel certain that if the ad is in this Top Major Global Airline In-flight Magazine, then it must be credible, reputable, true and worthy of trust. At which point, the ad reader is open and more willing to learn more by visiting the Website via the QR code in the ad.

All of the above 4 points, will result in a huge percentage of the ad readers actually visiting the Lead Capture Website, and a good percentage of those unique visitors (statistically over 25%) will be filling out the Info Request Form and becoming “Hot Prospect Leads” and then moving forward with the Video Tour, and finally joining **OneCoin** for Free, so they can learn all the excellent reasons why they should upgrade and buy their educational product package.

Important Note: Like many of the major advertising and marketing services companies, MMI does require that each co-op participant read and sign a simple yet binding “MMM Co-Op Position(s) Purchase Contract”, within 48 hours from the time they purchase their Co-Op Position(s). This must be done before they can receive their share of the Hot Prospect Leads being generated. This written contract is a binding agreement that acknowledges the participant’s understanding that there are no guarantees nor promises made as to any specific success they might have as a result of their participation in the MMM Co-Op. Also, like any advertising or marketing service purchase, all sales are final and no refunds are allowed or expected, and each participant agrees to not request a refund or attempt a charge-back on their credit or debit card.

NOTE: There is a link on the MMM Co-Op Site that will allow all co-op participants to access the contract Online, as an Adobe E-Sign document, so you can easily read it, enter your name and the date and e-sign it. MMI instantly gets a copy of your signed document and you can print a copy for your records also.

10. -- How soon can the MMM Co-Op for OneCoin Associates begin, what does it include and how will it launch co-op positions sales?

BEST RECOMMENDATION = DO IT NOW, NOT LATER!

- **As of today, March 11, 2016**, the earliest date the MMM Co-Op for **OneCoin** Associates can officially begin is with the custom full page display ad appearing in the **June 2016** issues of the selected Top Major Global Airlines In-flight Magazines.
- **The OneCoin MMM Co-Op will run for 3 consecutive months**, June, July and August of 2016, in order to maximize the positive results from the advertising in terms of total numbers of New “Hot Prospect Leads”, New Free Members and New Associates who have upgraded and purchased an educational product package.
- **To accomplish this target**, first MMI must launch the sales of the June Co-Op Positions right away today, because all positions for the June Co-Op must be purchased by **Wednesday, April 6, 2016** in order for MMI to pre-pay for the advertising space in the June 2016 issues of all the magazines.

- **I have created a Custom MMM Co-Op Sales Website** for **OneCoin** Associates to learn all about the Co-Op and buy their co-op position(s) Online via major credit/debit card or PayPal. Orders can be placed and paid for from any location worldwide, using the PayPal payment system and our Website.
- **NOTE:** All MMM Co-Op positions are sold on a “**First Come, First Serve**” basis, and the very first Associates who will be given access to this Website will be the Top Team Leaders, as they may want to buy multiple positions to sell to their team members later, once all the co-op positions are sold out for June, July and August co-ops
- **This FAQ & Answers Document** is also accessible from the Website, and you and your team members can easily read it, print it and download it.
- **The MMM Co-Op Sales Website is now completed**, so you need to immediately notify all of your Top Team Leaders that the Website is live so they can visit it and buy as many Co-Op Positions as they afford, then they can forward to all their team members, and the sales of the MMM Co-Op positions will begin.
- **This MMM Co-Op Sales Website** is now available and taking orders for the co-op positions, and the Website address is www.OC-MoreSuccessFaster.info

11. -- Which Top Major Global Magazines will run the full page display ad for the MMM Co-Op for OneCoin Associates?

As of this writing, March 11, 2016, the **OneCoin** MMM Co-Op beginning with the month of JUNE 2016 will run the full page ad in at least 8 of the Major Global Airlines that are listed in Question #3 (above). The airlines we choose will depend on the final discounted rates I can negotiate with the Airlines and the number of passengers each airline has each month.

These 8 Airlines we choose will allow our full page display ad to potentially reach up to a total of **40 Million** passengers who are flying on many thousands of daily flights each month

MASSIVE ADVERTISING:

Total potential “new” readers who will read our OneCoin full page ad in the month of June = Up to 40 MILLION

12. -- What is the total cost of this OneCoin MMM Co-Op, how many Co-Op positions are available for purchase each month, and what is the price per Co-Op position?

The total cost we need to pay for the full page advertising in each of these 8 Top Major Global Airlines In-flight Magazines, (that includes all the initial and ongoing design and production costs for the custom “generic” display ad and the custom “generic” Lead Capture Website and the production of the 2 to 3 custom Intro Videos, plus the creation and ongoing maintenance of the Co-Op Rotation System, plus all other service costs is **\$110,000 each month**.

There are only 400 Co-Op Positions being made available for each of the months we run the first MMM Co-Op, June, July and August 2016. So we divide the \$110,000 total Co-Op costs by 400 positions and we get a price of **only \$275 per Co-Op Position for each of the 3 months..**

Note: Co-Op positions are sold on a month-to-month basis, meaning it's up to each Associate whether or not they buy a position(s) in any given month's co-op. There is no contract for you to buy positions in the co-op month after month, this is totally your choice.

BUY AS MANY CO-OP POSITIONS AS YOU CAN AFFORD IN EACH OF THE 3 MONTHS:

I encourage all Co-Op Participants who are Team Leaders to buy as many positions in each of the 3 months as you can afford for your advertising and marketing of your **ONECOIN** business, before all Co-Op positions are sold out, which can happen quickly.

Business Expense for Income Taxes: Keep in mind, for Associates in the USA, this might be a tax deductible business expense for you, which means you may be able to deduct this amount you spend on co-op positions from your taxable income.

Note: I am not giving you tax advice of any kind here, and you should always ask your professional tax accountant or other tax preparation provider for their advice.

13. -- How do I and my team members purchase our co-op positions?

You can easily access all the Introduction Details about the **OneCoin** MMM Co-Op on the Official Co-Op Sales Website at www.OC-MoreSuccessFaster.info

Read the following Purchase Policies and Terms for buying your Co-Op Position(s):

PURCHASE TERMS FOR MMM CO-OP POSITIONS:

1. **Co-Op Positions May Only Be Purchased Online:** You can only purchase MMM Co-Op Positions when they become available on the Official MMM Co-Op Sales Website for **OneCoin** Associates.
2. **All 3 Months Co-Op are Available to Purchase Positions Now:** Right now, you can purchase your position(s) in the June, July and/or August 2016 Co-Ops.
3. **Purchase As Many Positions as You Want:** You may purchase one or as many Co-Op Positions that you want, in each months Co-Op, as long as co-op positions are still available on the MMM Co-Op Website, which has sales statistics updated daily..
4. **No Contract to Buy More:** The co-op positions are only purchased by you each month on a "month-to-month" basis, and only when you choose to purchase them, meaning there is no contract for you to keep buying co-op positions in the future.
5. **"First-Come, First-Serve" Basis:** All Co-Op Positions are being sold on a First-Come, First-Serve Basis, and once they are all sold the Co-Op for that month is also, so you and your team members need to move fast and get your position(s) purchased for each month, before that month's positions are all sold out.
6. **All Sales Are Final:** All MMM Co-Op Participants must sign a Purchase Contract agreeing that "All Sales Are Final" and there are no refunds and no returns once your co-op position(s) are purchased.
7. **Waiting List:** If all the available co-op positions are sold out, for any given month, you can join the Co-Op Waiting List to be notified via email if and when any additional positions are released, and when the next 3 months MMM Co-Op is about to be launched. There will be a link on the co-op Website where you can join this list, once a co-op's positions are sold out..

14. -- Positive Warning Notices:

As of March 11, 2016 there are only 390 co-op positions left for sale, in each of the 3 months that co-op positions are being made available for the price of **only \$275 per position**, and we are launching Co-Op Positions sales for all 3 months, June, July and August on the MMM Co-Op Sales Website.

The Co-Op Positions Can Sell Very Fast: Based on our earlier co-ops we have done with other Network Marketing teams, once the MMM Co-Op Sales Website goes Live, this limited number of co-op positions will sell very fast, and they are usually all sold out within the first week or less. Network Marketer Team Leaders know the value and benefit of having as many of their downline team as possible participating in the MMM Co-Op, which is why they will usually buy multiple co-op positions (like 10 at a time), as they plan on re-selling the positions to their downline team members between now and June 1st when the first magazines appear in the Airline seat backs and the Leads and New Members start being generated.

As such, I suggest that you **act fast and move quickly** when the Website is live, and buy your co-op position(s) and get your team members to do the same, before they are all sold out.

Have More Questions? If you have any other questions about the MMM Co-Op, please visit the MMM Co-Op Sales Website, where you will find all the detailed answers.

Once you have read this FAQ&A document, and the information on the MMM Co-Op Sales Website, and you still have questions, you can contact our Customer Support via email or phone at the contact info in my signature below.
